We the 1962 Annual Staff dedicate this annual to the Senior Class.

While considering what person or group to bestow this honor upon we were duly impressed by the school spirit the Seniors of '62 displayed throughout their four years at Liberty. This tribute is paid not only to those students but to their advisors, Miss Graber and Mr. Bascom. We hope the loyalty of these seniors will be an inspiration to the many classes that follow. In this way the Seniors will be leaving one last and very important legacy to their school.
We entered Liberty Union High as very excited and ambitious Freshmen. The year of 1959 included for us a reception given by the Sophomores which made us feel very welcome, and our very first dance with the theme "Young Dreams." Concluding the year we gave an assembly called "Around the World in 80 Days" that presented to the student body skits, patomines, and a humorous portrayal of Jungle Jim by Mr. Bascom.

Our Sophomore activities were equally as enjoyable as our Frosh year, with our coke sale, car wash, a reception given for the incoming Freshmen, and the receiving of our class rings. Last but not least our Sophomore Hop rounded out the year. It's theme--"Harbor Lights" with Barbara Baroni and David Dyer reigning as King and Queen.

As Juniors we had a year packed full of excitement also. We started off with our annual coke sale, and the winning of 1st place for the noisiest float in the Homecoming parade. It ended with our Junior Prom under the theme of "Corinthian Elegance" which was a wonderful success, and our Junior Picnic. We looked ahead eagerly to be a "Mighty Senior."

Well, we finally made it--Seniors at last! This year has been the best of all. It was filled with so many exciting activities. Our display of spirit at Homecoming with Sharon Roper as our Queen, the coke sale, Senior Ball, and best of all Senior Week. The year will end with our graduation from Liberty Union High and with us we will take all the fine memories of four years packed full of excitement and enjoyment. We hope that the classes to come will share this warm feeling we have for our years at Liberty.

The Latin Club has had a very active and successful year. To start the year off we had an after game dance. We had our annual banquet which was very enjoyable. On March 9 & 10 we sent some delegates to the J.C.L. Convention in Los Angeles. We had a very good time and brought back many new ideas to the Club. Of course we could not have had any of these activities if it had not been for our advisor, Miss Van Tassel.

Advisor: Miss Van Tassel
The primary aim of the Future Farmers of America is the Development of Agriculture Leadership, Co-operation, and Citizenship.

"THE MOTTO"
Learning to do
Doing to learn
Earning to live
Living to serve

At the beginning of the year we elected officers as follows: Pres. Rick Peters, Vice Pres. Barry Gursky, Sec-Treas. Cherrie Kloepfer. During the year the chapter participated in several services for the school by helping on the S.C.A.T. test and as ushers at graduation. We also enjoyed two honor day trips, one in each semester. For fun raising activities we sponsored dances including the Mardi Gras in the Spring of the year.

Advisor: Miss Van Tassel
The Year's activities began with the Freshmen's initiation. For this the girls were required to carry a pan for a purse. Some of the most ambitious Freshmen decorated their pans with ribbons and pictures. Other F.H.A. activities included a dance, a picnic, and dinner honoring Senior members.

Advisor: Mrs. Krumland

A Cappella Choir
Following our usual custom, the A Cappella Choir appeared in the annual Christmas Concert, sang for the Rotary Club, and caroled at all of the elementary schools in our district.
The Spring Concert was a great success and the Choir helped to make the evening most enjoyable.
We also participated in the annual elementary Music Clinic, which helps to further interest of young students in music.
Advisor: Mr. Noble

The Medical Careers Club is an organization which gives the students interested in Nursing an idea as to what is involved in being a Nurse or Doctor. Before Christmas the club was invited to Antioch by their Nurses Club. Another project was the annual Homecoming Float, made by the members of the club. A lot of effort went into it even though we didn't win a prize.

Advisor: Mrs. Bell

A literary organization dedicated to the study and interpretation of the best that man has thought and done.

President: Sally Hummel
Vice President: Fred Valverde

SPANISH CLUB

The Spanish Club had a very fine year under the direction of Mr. James Alves and the leadership of President Douglas Hammond, Vice-President Sharyn Allen, Secretary Lee Rae Painter and Treasurer Rama Jo Morrison.

The Club started off at a roaring pace by writing and voting in a new Constitution. February was the month for our Dance, and the late Spring was the time for a "fun-packed" trip to San Francisco. Near the end of the last semester, we had a marvelous Picnic with Spanish food, dancing, games and all. We truly had a wonderful year...

Advisor: Mr. Alves
Pep Club is established to promote spirit interest at rallies and throughout school activities. As in the past, Pep Club decorated the goal post and bleachers before the games.

The Pep Club members worked exceptionally hard on the Queen’s Float this year, which was a big success.

Committee

The purpose of this organization is to sponsor the annual homecoming activities and rallies. They also undertake activities which might contribute to the spirit and pep of the students at Liberty. Commissioner, Leo Tzrepskowski, served as head of Rally Commissioner through a successful year.
The Girls' Block "L" is composed of those girls who have earned 20 credits, attended the required number of playdays, and received the required number of service credits. The presiding officer of the organization is Sharon Roper. The girls enjoyed a skating party and pizza feed in November, and near the end of the school year we had a lot of fun at the annual picnic. We sponsored a Girls' Block "L" and Boys' Block "L" dinner, as losers of the competition in the Christmas Food Drive. Earning a Block "L" is a great achievement and an honor to any G.A.A. member. Advisors: Miss Graber & Miss Markwin.

The Block "L" Society is made up of all those boys who earn their varsity letters. It is the duty of the Block "L" to promote all athletics, and to serve the school in any way possible.

The Block "L" is impowered by Student Council, to maintain cooperation during assemblies, using only their respect as force. The Block "L" not only is responsible for the display of awards, but it also sponsors activities. These include the Harlem Clowns, Block "L" Dance, and the annual Food Drive. They also earn money to be used for a Medical Fund; a film fund; and for various sports awards.

To conclude a very prosperous year, the Block "L" Society holds a dinner for all members.

Advisors: Coach Bronsan and Ferrill.
G.A.A. Cabinet

ADVISORS: Miss Markyn Miss Graber
The club members consists of the Annual Staff and its devoted students to the club and the Staff. Its annual events is the Christmas Capers Dance in which every one had a very exciting time with Pete Simmons and Penny Pinkston reigning as Mr. and Mrs. Santa Claus. Also the party at the end of the year with its members and invited guests.

Did you hear the one about . . .

"Tarzan"

Gee, what a nice annual!

And as an added attraction at Liberty--Some students work.
At the Homecoming Game, the beginning of our Junior year, we had a coke sale, which was very profitable. This game was a busy one for our class. We entered a noisemaking float in the parade and won second prize. The theme was "Cage the Cougars."

At the beginning of the second semester, Miss Markwyn came in to help Mr. Swart in advising our class due to Mrs. Fortner's leave of absence.

The biggest and most successful event our class had was our Junior Prom, held on March 16. It was very beautifully decorated with a catchy African theme. Many memories will remain with those who enjoyed that evening.

We are looking forward to our Senior year at Liberty and hope it will be as successful and as much fun as our Junior year has been.

Song Leaders
MURPHYS
The Band participated in many football games and went to the Stanford Band Day. It also participated at rallies and Basketball games.

We had a very successful Christmas Program. We had our candy sale from which we purchased a stereo tape recorder. We also participated in the C.B.D.A. Honor Band in Antioch where a number of band members were chosen to represent our school.

We were judged at the State Music Festival in Crockett. Our Spring Concert was very successful and we have had a record made of the performance.

We are looking forward to a new season in anticipation of a successful 1962-63 year.

The Annual Staff would like to express its thanks in the great performances of our Liberty Union High School Band and Majorettes.

Sophomore Snaps
We, the sophomore class of "64" have had a successful year. Although we didn't have many activities, those that were held were very enjoyable. Our first being the reception held for the freshman class, which was fun for all attending.

The biggest thrill for all of us occurred when we received our class rings. They are beautiful and we are all proud and happy to wear them in representation of our class and school.

We are all looking forward to our Junior year with great anticipation and high hopes.
Well! Give it to me.

First place.

Varsity Football

Managers
R. Romiti
D. Hernandez

Coaches

Coach Bronzan
Coach Ferrill
1961 Varsity Football

The varsity football team had a successful season as they placed third in the league and had a 4 and 5 record for the season against a very rough schedule. The team lacked size but made up with tremendous hustle and desire. The lions played a very exciting brand of ball. With only 11 seniors on the squad they promise to be even rougher next year.

Some highlights of the season were Minors 80 yard TD run against Galt when he stole the ball from the quarterback. Rio's winning field goal against John Sweet; the passing of David Dyer and the pass catching of Bob Fredricks and Ron Dell'Immagine against Albany, Livermore and St. Vincent's was tremendous. James Abney's fine running and the team defense of Wisecarver, Honegger, Jose, Adams, Ramos, Tamayo, Contreras, Lopes, and Trzepkowski was outstanding throughout the season. Pilati's great faking against St. Elizabeth was tremendous.

At the conclusion of the season David Dyer was selected as first team All League quarterback. Wisecarver, Abney and Fredricks were picked for the second team and Adams and Trzepkowski received honorable mention. Lee Trzepkowski was elected team Captain with David Dyer Co-Captain.

Winners of the annual banquet awards were:

- David Dyer .................. Outstanding Player
- Jim Wisecarver .............. Outstanding lineman
- Bob Fredricks ................. Most Inspirational
- Rick Perers .................. Scholastic

Captains Leo and Jim for the John Swett game.

The Lions fantastic defense.
Our yard-gaining offensive group.

Nice fake Pilati!

Seniors show spirit.

Wisecarver brings one down.

Abney on the run for a gain.

Lions and Indians clash!!
The 1961 Junior Varsity football team was one of the better teams to represent Liberty in recent years. They were an inexperienced group of boys at the beginning of the year, but as the season moved on they began to mold into a playing unit. The record for the season was 4 wins - 4 losses and one tie.

Freshman Football

For the second year now, Liberty has fielded a freshman football team. These young boys may not have been large, but they were in there giving their best in every game they played. This team will move up to the Junior Varsity and we will see some of these boys make a name for Liberty in the future.

"A" Basketball

Coach
Coach Garcia
P. Pilati, R. Valverde

Team Captain
Dennis Pilati
"A" Team

This year has brought many changes and equally as many exciting moments for our Basketball team and the fans. Cheering section enthusiasm and attendance was a major factor in team attitude. Our team has shown great improvement and has provided the sports-minded with good ball playing and a maximum of effort on the part of each player. Some of the highlights of playing were contributed by Dennis Pilati's floor playing tactics, rebounding by Chuck Dwelley and Ron Somerhalder, the accurate shooting of Ray Valverde, defensive pressure put on by Pete Smith, Fred Valverde's dribbling talent and the overall playing of David Dyer. Prospects for the future include returning talent of Ray Valverde, Frank Caldera, Joe Tarango and we have many good "B" players moving up with a good crop of Freshmen coming in. The Liberty Lions have developed a good program which we feel will pay off in the future and give Liberty a name in Basketball in the EBL conference.

"B" Basketball

Coach
Coach Dawson
With only two lettermen returning and three inexperienced boys to make up the rest of the team, our "B" Lions had a long way to go. They began to play like an experienced team after the middle of the season. They were able to beat a good Junior Varsity from Ripon and then went on to beat John Swett in the first round of League play. Our "B" Reserves played an 18 game schedule with teams in our area and it looks like the prospects of basketball at Liberty is on the upswing, with the spirit and enthusiasm shown by these young boys.

Action Snaps
"A" Swimming

Swimming

The 1962 edition of the Liberty Swim Team figures to be a well-balanced team which could win the championship if enough improvement takes place in the team depth. Led by Captain Larry Lindsay and Co-Captain David Johnson the Liberty Mermen appear to have at last one top performer in every event and enough sprint depth to capture the freestyle relay. The Lion Cubbs appear to have a fine crop of young freshmen coming out to bolster the depleted ranks. The entire group has been working very hard and early season meets give indication of a fine season.

"B" Swimming

Captain - Larry Lindsay
Co-Captain - Dave Johnson

"A" Track

TOP ROW: L. to R.: P. Simmons; R. Valverde; A. Honneger; M. Nichols; L. Trzezkowski; W. Ball; J. Tarango; E. Machado; L. French; F. Gibson; T. Moore. FRONT ROW: M. Perez; J. Burrow; R. Contreras; B. Ramos; J. Garcia; A. Martinez.

Track

At the time of the printing of the annual, Coach Bob Giardina's Thinclds had won three straight track meets in both "A" and "B" divisions. The "A"'s have been led by good performances from Captain Chuck Dwelley, along with Trezpkowski, Perez and Fred Valverde. The "B" squad has also been led by their Captain, Mike Tarango who has been supported by Larry Miller in the Sprints, Bob Gromm and Greg Levinseller in the distances and Art Ochoa in the Pole Vault.

VARSITY BASEBALL 1962

The 1962 varsity baseball team defeated Antioch 3 to 2, San Ramon 2 to 1 and Pacifica 6 to 2 in practice games and was about to start league play when this article was written. We now have won our first league game against Amador.

J. V. BASEBALL 1962

This year J. V. Roster has many good Frosh & Soph. players. Which will be expected to contribute to Liberty High's future success in Baseball. Captain for this year is Ed Armstrong.

J.V.

April 19, 1946--July 19, 1961

Graduated from Oakley Grammar School, 1961. Merit standing was a well earned B.

Class Officers

Class of '65

The Freshman class had a very successful Freshman Reception, and is enthusiastically awaiting the many other activities offered at Liberty.

The class has found high school a more enjoyable experience than grammar school. One has more freedom in high school. The subject matter is more advanced and a broader education can be obtained. In high school one is more on his own and must learn to be more independent. More activities are offered in which to participate than in elementary school. All of this helps to prepare the student for his future role in the community upon graduation.

Because of these reasons, and many more, the Freshman class is eagerly looking forward to their four years at Liberty Union High School.
Administration and Faculty
Superintendent

To the Class of '62
Congratulations to the class of '62. You have reached one goal in life; that is 12 years of formal education. That is a good start, but there are other goals and ideals ahead for which each of you should strive. Old stuff, you say, Correct. But it is still good stuff. Good citizenship is always a goal to strive for and hold to. It is a broad goal, including work, clean living, honesty, initiative, loyalty and community service. Your teachers have assisted you, some toward these goals as you progressed through your four years at Liberty, but you must continue on your own as you become more mature. With the insights you have gained at home and at school to modify your judgment, I urge you to continue the seeking of good citizenship.

L. V. Greenleaf
District Superintendent

Superintendent and Principal’s Message

Principal

To the Class of '62
To those of you whose days at Liberty are now but memories, may the foundations which you have derived from them be solid building blocks upon which to construct your life's edifice. If these blocks make your passage through life more meaningful, more useful or more enjoyable, it will bring deep satisfaction to those of us who may have offered a contribution in their construction.

To those of you whose days at Liberty are still to continue, may the urgency and seriousness of the present inspire you to fill these days with maximum efforts so that upon graduation you may look upon your building blocks with satisfaction and pride.
